Health Savings Account (HSA)

## Transfer to UMB from Other Trustee

UMB Bank, n.a. has agreed to serve as Custodian of a Health Savings Account (within the meaning of IRC Section 223) for the individual HSA Owner identified above, and is willing to accept HSA, MSA or IRA dollars that the current trustee or custodian holds in accordance with the following instructions.

The Account Owner, by his or her signature below, hereby directs the current trustee or custodian to close the HSA or MSA presently maintained with the current trustee or custodian, or, in the case of a transfer from an IRA, to transfer the amount of the requested distribution set forth above from the IRA account presently maintained with such trustee or custodian, and to transfer the dollars, after deduction of any necessary fees and expenses, to UMB Bank, n.a. at the address set forth below. Transfers to UMB must be in cash equivalents; UMB does not accept "in-kind" transfers of mutual funds and/or other securities.

When HSA, MSA or IRA dollars constituting a qualified HSA funding distribution are transferred directly from one trustee or custodian to another qualified trustee or custodian, the transfer is without federal income tax consequences to the Account Owner. If instead of making a transfer directly to a new custodian, the Account Owner receives a distribution from an HSA or MSA by the current trustee, the Account Owner may make a tax-free rollover contribution of all or part of the assets received to his or her HSA at UMB Bank, n.a., provided that the rollover is completed within 60 days of the date the Account Owner receives the distribution. Federal law allows only one rollover during any 12-month period.

I certify that the information contained on this form is true and correct. I direct the current custodian/trustee identified above to transfer all my HSA/Archer MSA assets, or in the case of an IRA transfer, the amount requested above, to UMB Bank, n.a. asset forth in this form. I understand that I am responsible for the tax consequences of this action and I will not seek to hold the current trustee or custodian or UMB Bank, n.a. responsible for such tax consequences. I indemnify and agree to hold the current custodian/trustee harmless against any liabilities for following these instructions. UMB Bank, n.a. shall accept the transferred funds as a transfer to the HSA of the Account Owner.
